

## Coaches' Agenda

1. **Homecoming Parade:** October 5<sup>th</sup> around 5:30
  - Float ideas? We need a flatbed and truck for the girls.
  - All cheerleaders can participate. If your daughter is a winter cheerleader, she can wear her warm-ups.
  - All varsity cheerleaders are required to be in the float.
  - JV football will sell programs and face paint; If there is enough time for them to be in parade and then be @ the stadium, we will have them in the parade also.
  - Can parents sell until JV is finished with the parade?
  - We will need each girl to bring candy to throw at the crowd.
2. **Thank you** to all who have donated candy and toilet paper rolls. Some candy is used for the spirit sticks and some is being used for the treat bags for football players. We apologize for always asking for candy, but we really use it☺
3. **October 4 & November 1:** decorating for seniors (cheerleading and football)  
JV will decorate for senior girls (10 girls); varsity will decorate for senior boys (approximately 15). We need parents to help with this task. I can get addresses, but we need JV drivers and helpers to make signs. NO TOILET PAPER!
4. **Selinsgrove game:** October 12th; the girls will leave school early. I'd like to feed them prior to the game. Right now we are scheduled to leave @ 2PM but if we eat, we'd have to leave about 1PM. I would need a mother to set up our lunch/dinner with a restaurant in DuBois: Hoss's?
5. **Brashear game:** October 27<sup>th</sup>; Saturday afternoon game. I'd like to stop on the way home if approved. Maybe @ a Subway or Eat 'n Park if approved by Boosters?
6. **Note from Lauren:**  
We are asking that as parents you step back and allow for us to be coaches. We cannot have constant interference every time your daughter doesn't like a decision we make. The cheerleaders must be at practice and games on time. If she is late, she will sit the bench for that amount of time. NO EXCEPTIONS unless it is a true emergency or something that has been pre-approved. The girls are not to have their cell phones out while cheering, selling programs, or painting faces. They are not permitted to sell programs with their friends if they do not cheer. Any infringement will result in being benched. Please be a positive part of this program. All coaches are approachable and open to ideas, but that does not mean because your daughter does not like something I am changing it for her. We treat these girls like athletes and hold them to the highest of standards. We cannot do our jobs if we are constantly being undermined. Our job is to teach your talented daughters responsibility, respect, trust, pride, self-esteem, loyalty and friendship through the sport of cheerleading. If we all work together to promote this wonderful program, our time together will be fun, valuable, and a great experience for your daughters. Thanks for your cooperation☺
